INDUSTRIAL VISIT-NOAH THERAPEUTICS

III Year B. Pharmacy students (24 Members) of **Gland Institute of Pharmaceutical Sciences** and faculty **Dr. G. Naveen Kumar Reddy & Ms. Prasanna Lakshimi** visited **NOAH THERAPEUTICS (A unit of St. Theresa's Convent School)** on 23/01/2024. **Dr. P. Venkatesh, Site Head-Operations & N. Upendra Chowdhary, Lead Clinical Operations** permitted us for the visit. Mr. L. M. Manjunath Gouda received us and took to the conference room. Mr. M. Dilleswara Rao, Mr. Shravan Kumar Goski, Head BA-Operations and Mr. M. Srinivasa Rao, Head-QA gave us the presentations and explained us about their industry, the work they do and how they perform it in detail.

Later they took us to the Screening department, Clinical department, Bioanalytical Lab, Archival Room and explained us how the study will be conducted, samples will be collected their extraction procedures, data compilation etc.

They detailed us about the clinical trials, BA-BE studies like why they need to be performed, how to be perform etc.

Later Mr. Shravan Kumar Goski addressed the students and asked some questions related to equipment's and cleared queries asked by students. Students, faculty and management of Gland Institute of Pharmaceuticals Sciences thanked them for the opportunity. The Industrial visit was conducted in a smooth manner & successfully wined up at 4:30pm.
