INDUSTRIAL VISIT-GLAND CHEMICALS (CHENNAI)

As practical training is equal in importance to theoretical foundation, the course curriculum is so designed that the student gets exposure to practical aspects. As per the academic curriculum the student has to undergo industrial training program in 8th Semester in an Industry/organization. As a part of their curriculum, 30 students of III YEAR I SEM, Mr. D. Nagaraju & Ms. G. Nagalatha from faculty side of Gland Institute of Pharmaceutical Sciences visited Gland Chemicals Ltd. (Chennai Plant) on 07/02/2024.

After reaching the plant training and placement in-charge Mrs. Sharmila briefed about the industry, opportunities in different departments and introduced our students and faculty to the technical team. Plant head Mr. P. Durga Prasad, Production Head Mr. Rajesh Kannan, & QA Head Mr. Suresh Kumar Parthiban & HR Mr. Vamshi Bharadwaj interacted with the students. Then Mr. Prakash from the technical team took the students to different departments like ARD, QC, QA, Production etc and explained about the activities they do in each department. The technical team and HR department supported the students very much and motivated them. They also promised to place the students in their firm after completion of their course.

After the Industrial visit students visited many nearby places in and around Chennai & Mahabalipuram. The Industrial visit was conducted in a smooth manner & successfully winded up 10-02-2024.
