CYBER CRIME AWARENESS & ANTI-RAGGING ACT

In order to create awareness on cybercrimes Gland Institute of Pharmaceutical Sciences organised a seminar on 28-07-2022. Sub inspector of police Mr. Ravi Kanth Rao, Shivampet addressed the students about the usage of networking devices, which have become a part and parcel of everyone's life. An individual who is unaware of the uses of cyber world is vulnerable to the risks it poses. The entire session covered a wide range of issues from morphing to online predators. He told that every parent is giving his/her kids dangerous weapons like mobiles, laptops and computers these days as they need it to get their education. He highlighted that Cyber grooming is a threat and exposes the kids to hackers. He stressed that mothers need to be well informed and know exactly what their children are accessing.

He also addressed about the anti-ragging act. He said that whoever directly or indirectly commits, participates in, abets or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term which may extend to two years and shall also be liable to a fine which may extend to ten thousand rupees
