TEACHERS DAY CELEBRATIONS

Teacher's Day is celebrated in India every year on 5th September to appreciate the role played by teachers in the life of students—the leaders of tomorrow. The day is also celebrated to pay tribute to Dr. Sarvepalli Radhakrishnan, former President of the country and a visionary educator. Teachers provide the power of knowledge and education and create possibilities for better future. The whole event was meticulously planned by Principal Dr.N. Sivasubramanian and IV B,Pharm students.

The programme commenced with lamp lightning followed by a prayer song. Later students of I & IV B.Pharm students delivered their speeches. After that senior faculty members Mr.K. Sathish Kumar, Mr.M.Ramesh Reddy, Admin Manager Mr. J. Anand delivered their messages in the form of short stories. Mr. Dasharath Ram Reddy who is the chief guest of the occasion delivered his message and motivated the students. Lastly our beloved principal Dr.N.Sivasubramanian gave a wonderful message and conveyed his wishes to all his colleagues.

IV B.Pharm students felicitated all the faculty members followed by cake cutting and small events for faculty.

The entire programme was applauded by everyone present and will always remain a beautiful memory in the hearts of one and all present.
